

For discussion and possible action: Vice-Chair for Governor's Council for Workforce and Economic Development.

Excerpt from WSOC Minutes of September 9, 2016 Minutes:

Workforce System Oversight Committee

Vice-Chair for the Governor's Council

Co-chair, Richard McPherson, said that it has been several years since the Governor's Council has had a vice-chair. With the implementation of WIOA, the systems changes and integration of Council activities with Oklahoma Works and the many other statewide workforce initiatives, it has been suggested the time is right for the Governor's Council to have the service of a vice-chair. In collaboration with the Governor's office, we would respectfully like to nominate Nathaniel Harding to serve as vice-chair of the Governor's Council for Workforce and Economic Development. In accordance with the Council Bylaws, such nominations must first be considered by the Workforce System Oversight Committee and if approved, then submitted to the full Governor's Council for consideration. John Hawkins made the motion to nominate Nathaniel Harding as vice-chair of the Governor's Council. The motion was seconded by Donnalla Miller. No further discussion. The motion carried unanimously.
