-

Meeting Objectives:

- 1. Advance understanding of evaluation process to ensure data-informed and evidence-based recommendations*
- 2. Determine support for Graduate Medical Education, Recruitment and Retention Recommendations*
- 3. Understand and Approve Critical Healthcare Occupations List*
- 4. Identification of Priorities in Health Workforce Action Plan*

Health Workforce Subcommittee Purpose

"Inform, coordinate, and facilitate statewide efforts to ensure that a well-trained, adequately distributed, and flexible health workforce is available to meet the needs of an efficient and effective health care system in Oklahoma"

- Conduct data analysis and prepare reports on health workforce supply and demand;*
- Research and analyze state health professional education and training capacity;*
- Recommend recruitment and retention strategies for areas of high need; and*
- Assess health workforce policy, evaluate impact on Oklahoma's health system and health outcomes, and develop health workforce policy recommendations.*
