DATE: March 7, 2017

TO: Chief Local Elected Officials
Workforce Development Board Chairs
Workforce Development Board Staff

FROM: Erin Risley-Baird, Executive Director

RE: Estimated Local Area allocations for PY17 and FY18 WIOA Title I Youth, Adult and Dislocated Worker Programs

In January, 2017 the United States Department of Labor office of Employment and Training Administration (U.S. DOL-ETA) issued Training and Employment Guidance Letter (TEGL) No. 14-16 providing states with estimated allotments for Program Year 17 and Fiscal Year 18 Workforce Innovation and Opportunity Act (WIOA) Title I Youth, Adult and Dislocated Worker programs. As a part of continued efforts toward efficient dissemination of information and transparency regarding all financial aspects of WIOA, the Oklahoma Office of Workforce Development (OOWD) is making available estimated local area allocations based on the amounts provided in TEGL 14-16.

OOWD calculated the state's set aside amount of 15% as well as the Rapid Response amount of 25% on Dislocated Worker funding, then applied the appropriate formula to each program's allotment required to be awarded to the state's local Workforce Development Areas (WDA). The formulas used are those described, and approved by U.S. DOL-ETA, in the WIOA State Plan for The State of Oklahoma, section III(B)(5)(A). The state plan can be found online at www.oklahomaworks.gov.

The following allocations are **estimates** to be used for planning purposes only, with the knowledge and understanding that updated planning numbers and awards will be released when final allotments are provided to the state. Base and advanced funding amounts were not provided at the state level, so the separation of July and October funding amounts is not possible at this time.

Please distribute this memo to Workforce Development Board member and all appropriate staff.
