Section 5.02 Member Attendance/Replacement/Removal Policy – If a member, who is statutorily or not statutorily required, is absent from two Council meetings and/or two Committee meetings in a twelve (12) month period, the Governor’s Council Executive Committee may recommend that a request be made to that individual’s Appointing Authority for an official designee to the Governor’s Council for Workforce and Economic Development. If a third consecutive absence occurs, the Governor’s Council Chair may recommend to the Office of the Governor to replace this individual.

A Council member may be removed for the following:

- Failure of the member to continue to hold the qualifications that were the basis for initial appointment.

Section 5.05 Official Designees – An official designee may be designated to represent a Council member. To establish a designee, Council members must provide written authorization to the Chair, which includes the name and title and contact information for that individual. The individual chosen must have demonstrated experience and expertise and optimum policy-making authority, and be approved by the Council Chair.
